creditors, and other parties in interest; and it appearing that proper and adequate notice of the Motion under the circumstances has been given and that no other or further notice is necessary; and upon the record herein; and after due deliberation thereon; and good and sufficient cause appearing therefor, it is hereby

**ORDERED, ADJUDGED, AND DECREED that:**

The Motion is GRANTED.

1. The Supplemental Order shall remain in full force and effect.
2. The Corrected Order is modified only to the extent expressly set forth herein.
3. Paragraph 3 of the Corrected Order is deleted in its entirety and replaced with the following:

The Debtors shall have reserved as part of their loan agreement with Bank of America, \$5,000,000(or such other amount as may be fixed by the Debtors in accordance with this Order), which shall be segregated in a separate account and administered in accordance with this Order (the "Utility Blocked Account"), as adequate assurance of payment, under Bankruptcy Code section 366(b), of charges incurred by the Debtors for Utility Services provided by the Utility Companies (other than the AAAR Utility Companies and the Excluded Utility Companies) after the Petition Date, subject to the Debtors' rights to decrease the amount reserved by the Utility Blocked Account in accordance

with this Order or to otherwise seek authority from the Court to decrease the amount reserved by the Utility Blocked Account. So long as the Utility Blocked Account is funded in an amount not less than \$5,000,000 (or such other amount as may be fixed by the Debtors in accordance with this Order), the Debtors shall be deemed to have furnished all Utility Companies (other than the AAAR Utility Companies and the Excluded Utility Companies), including Utility Companies subsequently added to Exhibit A, with adequate assurance of payment under section 366(b) of the Bankruptcy Code. In the event that the Debtors are unable to establish the Utility Blocked Account in the amount of \$5,000,000 (or such other amount as may be fixed by the Debtors in accordance with this Order), the Debtors shall provide notice to the United States Trustee.

4. Paragraph 10 of the Corrected Order is deleted in its entirety and replaced with the following:

Any payments to the Utility Companies shall be without prejudice to any and all rights, claims and/or defenses of the Debtors with respect to such Payment Request, including but not limited to the Debtors' right to contest such Payment Request in this Court, or any court with jurisdiction. Any payments made from amounts in the Utility Blocked Account shall be made in the order that the Payment Requests were actually received by the Debtors. Following an advance from the Utility Blocked Account, Bank of America shall have no obligation to replenish the amount in the Utility Blocked Account.

5. For the avoidance of doubt, the Debtors are authorized, but not directed, to reduce the Utility Blocked Account by the amount corresponding to the two

week average attributable to any and all Utility Companies that provide Utility Services at the Debtors' retail stores, distribution, call and service centers, office locations, and other leased or owned property as and when such locations and property are closed or sold, as the case may be, and the Debtors (through their Third Party Vendor or otherwise) instruct such Utility Companies to terminate Utility Services, all without further order of this Court.

6. All AAAR Agreements and agreements with the Excluded Utility Companies are not affected by this Order.

7. The Debtors shall serve a copy of the Motion, the Corrected Order, and this Order within 5 business days of entry hereof on those parties entitled to notice under the Case Management Order and, by first class mail, on all Covered Utility Companies. Any party may object to the relief requested in the Motion within 15 days of entry of this Order. Any objection must be in writing, filed with this Court and served in accordance with the Case Management Order so as to be received by 4:00 p.m. (ET) on such date (the "Objection Deadline").

If no objection is filed and served in accordance with this Order, this Order shall immediately become final as of the Objection Deadline without any further act or order of this Court.

8. If an objection is timely filed and served, this matter will be heard at the next regularly scheduled omnibus hearing following expiration of the Objection Deadline.

9. The requirement under Local Bankruptcy Rule 9013-1(G) to file a memorandum of law in connection with the Motion is hereby waived.

10. This Court retains jurisdiction to hear and determine all matters arising from or related to the implementation or interpretation of this Order.
